Pastor's Study

Do not waste the gifts that God gives to us. Jesus teaches us that we all have gifts. These are things that we naturally do well. Some of us are students, others athletes, some are blessed in professional areas – medicine, education, building, business. Jesus teaches us to use these gifts wisely.

It is amazing how many people waste their gifts. Equally amazing us how some people use their gifts and become successful.

We use our gifts for happiness on Earth and for salvation in Heaven. We seek to be self-sufficient, to enjoy the good things of Earth, to bless our families. We are told by Jesus to use our gifts for treasure in Heaven. By our gifts, we can give praise to God and help our fellow men and women. To paraphrase Saint Paul, some are teachers, some are healers, some create beautiful songs. In our parish we have singers, readers, helpers, givers.

Find your gifts. Then bless many people with the talents God has given to you.
